### PRAYER FOR HEALING

Father, thank you for loving us and calling us out of darkness. There are those of us in need of your healing virtue today, by His Stripes we were healed. Father, we bind up all sickness and disease, and loose your healing virtue unto your children. For those going into surgery, we loose guidance to the hands of the surgeons. Touch all the sick and shut ins today and restore health to their bodies. In Jesus' precious name,

**Amen!**

**[NATIONAL WEEK FOR LIFE AND FAMILY \(May 9-16, 2021\)](#)**

Following the recommendations of the former *Ad Hoc* Committee on Life and Family of the Canadian Conference of Catholic Bishops (CCCCB), the Bishops of Canada at their October 2011 Plenary Assembly adopted a plan to implement a national pastoral initiative for life and family. As proposed at the time, the various elements of this national pastoral initiative could include: strategies for formation; the promotion of life and family; outreach for life; programs for youth and the elderly; and collaboration with ecclesial movements and new communities. Bishops in their respective dioceses would be invited to consider ideas as they are proposed and to adopt and adapt them for local use according to evolving pastoral needs, the availability of resources, and particular priorities.

For the past several years, the CCCCB has used the **National Week for Life and the Family** as a key opportunity to propose ideas related to its national pastoral initiative for life and family. The annual celebration of the National Week for Life and the Family takes place in many dioceses across the country and always coincides with the United Nations' International Day of Families ([resolution 47/237](#)) on **May 15** of each year.

# Chalice

***"IF YOU CANNOT HELP 100 PEOPLE, THEN JUST HELP ONE!"  
MOTHER TERESA***

Chalice works in impoverished communities to help struggling families overcome the cycle of poverty. Education is the first and most important step in breaking the cycle. Too often, children must skip class or drop out of school to carry water, care for siblings, or earn money for their families.

Sponsorship gives children the support needed to overcome obstacles so they can attend and stay in school, and allows families to provide nutritious food and better care for their children. Children are selected for sponsorship based on need and family circumstances, regardless of race, age, ability, gender, or religion. Education gives every child the opportunity to shine.
