Development and Peace

“If you are patient when you suffer for doing what is good, this is a grace before God”. Despite the many obstacles faced by those working for peace and justice in regions affected by conflict, many continue to perform their good works all the same. In East Africa, famine and civil conflict have led to widespread death, displacement and hunger. Development and Peace is working to support it's partners in the region, including the local Caritas network, to address this humanitarian crisis. To learn more about the situation and to make a financial contribution, please visit www.devp.org or contact our Western Region office at 1-844-480-3387
