Assisted Suicide and Euthanasia
THINK ABOUT IT!

Forcing doctors and other health care workers who morally object to euthanasia to refer patients to someone else for “assisted death” makes them complicit in an act that goes against their conscience. For many health care providers, euthanasia and assisted suicide are completely contrary to why they chose their profession; to provide help and healing, not harm.

Check out next week's bulletin for more to think about regarding euthanasia.

Rachel's Corner

“Before this retreat I could only imagine my child. I was able to get all the hatred out and begin to forgive. Now I even value my husband sitting here beside me. He left work behind to be together here. I was terrified to come and thanks to God after 18 years it is all out now. I feel light and with no more burden . I was broken and now I have been made whole again.”

Do you feel the weight of the burden inside and wish you had a way to be free? Come on a Rachel's Vineyard Retreat and let Him make you whole again.

HELP WANTED: 12 Families for the Jesse Tree Devotion at Sunday Masses During Advent. Advent is just around the corner! The Jesse Tree is an Advent Tree. As we prepare for the coming of Jesus, we will reflect on the holy men and women who came before Jesus. The decorations we hang on the Jesse Tree each Sunday are reminders of God's promise to send a saviour and are symbols of Jesus' ancestors. Each Sunday, before mass begins, 3 different families will each share a 4 –line poem about one of the ancestors of Christ as listed in the Gospel of Matthew and then will hang the symbol for that ancestor on the Jesse Tree. If you would like to take part please speak to either Shirley Mcphedran or Mary-Anne Smirle after mass for more information. All families are welcome - young and young at heart.
